Proposal Section
Authority
Oakland County Public Transportation Millage Renewal

If approved, this proposal will renew and increase the .9863 mills formerly authorized to 1.0 mills for the years 2018 through 2021, and allow continued support to the Suburban Mobility Authority for Regional Transportation (SMART) for a public transportation system serving the elderly, disabled, and general public of Oakland County.

For the purpose of providing funds for the support of a public transportation system serving the elderly, disabled, and general public of the County of Oakland, as a renewal and increase of the .9863 mills which expired with the 2017 tax levy, shall the limitation on the amount of taxes imposed on taxable property in the Oakland County Public Transportation Authority area be renewed and increased at 1.0 mills ($1.00 per $1,000 of taxable value) for four (4) years, 2018 through 2021, inclusive? It is estimated that if approved this millage will raise approximately $31 million in the first year.

Bloomfield Township
Safety Path Millage Renewal

Shall the Charter Township of Bloomfield be authorized to continue to levy the Safety Path Millage [which was previously approved on August 5, 2014 for up to 0.4655 mils for a period of five (5) years] for an additional five (5) years commencing with the December 2019 levy, to fund a safety path program, including construction and maintenance of safety paths and the acquisition of rights-of-way for such purpose? Approval of this proposal would permit a tax limitation levy of $0.4655 per $1,000.00 of taxable value on all taxable property in the Township. This millage will be subject to applicable statutory and constitutional tax limitation provisions at the time of levy and will not exceed the above-stated rate. It is estimated that this proposal would result in the authorization to collect $1,850,000 in the first year if approved and fully levied.
