AUTOMATIC PAYMENT AUTHORIZATION FORM

For Water and Sewer Bills

Residents can have their Bloomfield Township Water and Sewer payment deducted automatically from their checking or savings account. There is no charge for this service. The service provides several benefits:

- It is free. ■ It saves time and cuts down on the number of checks customers write.
- It prevents late payments. ■ It is easy to enroll and easy to cancel.

How it Works

Customers authorize regularly scheduled payments to be made from their checking or savings account. The payments are automatically made on the 20th day of the month each billing cycle. Proof of payment appears on both the customer's bill and a statement provided by their financial institution.

The authority to charge an account remains in effect until the Township receives written instructions to terminate it. A notification of the pending payment is sent to customers 10 days prior to funds being withdrawn. To take advantage of the service, complete this form and return it to the Treasurer's Office.
