The Charter Township of Bloomfield, MI Job Description

Classification Title	Master Mechanic
Job Code	
FLSA Status	Non-Exempt
Pay Grade	DPW6.1

GENERAL SUMMARY

To perform highly skilled and complex mechanical repairs. Perform the duties of a mechanic involved in inspecting, repairing, fabricating, rebuilding and maintaining Road, Police, Fire, Building, Water & Sewer, light and heavy duty equipment. Ability to perform heavy manual labor. Work special hours as required.

Work is performed under the general supervision of the Crew Leader or Fleet/Facilities Manager as well as the Superintendent of Public Works or the Director of Public Works. Supervision is exercised over Auto Mechanics, Laborers, seasonal, part time employees or others, including outside contractors assigned to assist the Motor Pool Division. May also be asked to assume Crew Leader responsibilities in his/her absence, as directed by the F/F Manager, Superintendent or Director.

ESSENTIAL DUTIES & RESPONSIBILITIES

The intent of this job description is to provide a representative summary of the major duties and responsibilities performed by incumbents of this job. Employees may be requested to perform job-related tasks other than those specifically presented in this description.

- Perform highly skilled and complex mechanical repairs on both light and heavy equipment such as trucks, loaders, rollers, graders, bulldozers, gradalls, and tractors.
- Perform the duties of a mechanic involved in hands on repairs and maintenance of vehicles.
- Inspect equipment, analyze trouble and plan sequence of repair operations.
- Ability to engage in heavy manual labor for extended periods, in all types of weather and under various working conditions.
- Perform bumping, painting, heating, drilling, bolting, welding (MIG, Stick, TIG), brazing, sand blasting, soldering, or cutting operations.
- Adjust, or repair and replace parts in engines, transmissions, differentials, brakes and other equipment.
- Train new employees in all phases of work including the operation of equipment, use of tools and methods or procedures of work.
- Adjust or repair hydraulic systems and components.
- Maintain and instruct others on proper safety procedures.
- Respond to repair requests.
- Record daily work in Shop Floor system.

Classification Title: Master Mechanic

- Perform road service on equipment as required.
- Investigate complaints and equipment malfunctions.
- Coordinate parts runs; maintain sufficient parts inventory.
- Analyze performance of equipment.
- Participate in the selection of equipment and in the preparation of specifications for purchase.
- Plow, shovel and salt streets, parking lots and sidewalks.
- Wash and clean administrative and other vehicles.
- Perform decontamination procedures on vehicles and other Township property contaminated with blood or other bodily fluids.
- Recommend improved work methods and procedures, assist in training employees.
- Attend meetings and classes as identified by Bloomfield Township.
- Perform other duties as assigned by Bloomfield Township administrators.

MINIMUM ENTRANCE QUALIFICATIONS

Education and Experience

- High School diploma or G.E.D. equivalency
- 3 to 5 years' experience
- Any equivalent combination of training, education, and experience that provides the required skills, knowledge and abilities

Licenses or Certifications

Michigan license, CDL with A and N endorsements, State of Michigan Certified as both a "Master Heavy-duty truck mechanic" and "Master Automobile Mechanic"

OTHER JOB REQUIREMENTS

Work special hours as required, including weekly rotating on-call assignments. May be called upon to plow, shovel and salt streets, parking lots and sidewalks.

PREFERRED QUALIFICATIONS

Experience with Fire response vehicles and equipment desired.

COMPETENCIES FOR SUCCESSFUL PERFORMANCE OF JOB DUTIES

- Experience and considerable knowledge of the methods, materials and equipment used in the maintenance and repair of various types of heavy equipment and other power driven equipment and tools.
- Working knowledge of the occupational hazards and safety precautions of the trade.

Classification Title: Master Mechanic

- Skilled in the operation of a variety of tools and equipment used in the repair of trucks and heavy equipment.
- Ability to prepare and maintain accurate records and reports.
- Ability to understand and carry out complex oral and written instructions.
- Ability to analyze and repair mechanical failures.
- Ability to work effectively and establish good working relationships with other employees.
- Ability to work effectively with the general public.
- Good traffic record.
- Meet the physical and mental requirements as established by a licensed physician and/or psychologist selected by Bloomfield Township.
